Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Action Housing's Forest Hills – Chalfant Atom Smasher Housing project. The recipient address is 611 William Penn Pl #800, Pittsburgh, PA 15219. The project will build affordable housing on the site of Westinghouse corporations first controlled fission reaction. The site has been cleaned and this project by Action Housing will build 9 or 10 single family units along the street, upgrade the street and infrastructure for the site, add fill to the site and move and restore the Atom Smasher vehicle that remains on site. Thus project is a good use of taxpayer money as it will take an abandoned site an reuse it for affordable housing. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely

Mike Doyle  
Member of Congress
